LANE COUNTY FAIR EXHIBITS POLICIES

The following rules and regulations become a part of the contract of each exhibitor. Special guidelines and/or exceptions may apply for individual departments and can be found in the department information in this book. The Lane County Fair Board reserves the final and absolute right to amend, add to, delete, and interpret these rules and regulations and arbitrarily settle and determine all matters, questions and differences in regard thereto, or otherwise arising out of, or connected with the Fair. In all cases, the decision of Fair Management shall be final and binding.

ENTRY POLICIES

- Entries in all departments are limited to residents living or owning land in Lane County, Oregon. The management reserves the right to reject any exhibit offered, to limit entries according to space available, and to eliminate classes if insufficient entries are received. Exceptions are made for Horses. Out-of-county entries in Horses must be coordinated with the Department Coordinator prior to entry.

Anyone trying to deceive the judge in regard to ownership, or who shall purchase articles or borrow them to exhibit in his or her name, shall forfeit all claims as an exhibitor. Transfers of registration papers for animals must be completed 30 days prior to entry deadlines.
- Livestock exhibitors are required to give the name and birth date of all animals entered.
- Exhibits entries may be reclassified and/or disqualified by the Fair and/or Judges if they do not meet conditions of entry or are incorrectly entered. It is the duty of the Department Coordinators to make such corrections as they deem necessary if it is ascertained that an exhibitor or an animal is entered in a division or class in which it does not properly belong, or fails to follow published rules/guidelines.
- Only animals entered in the Fair may be displayed during the Fair. Pets are not allowed inside the Fairgrounds, or inside the exhibit spaces. Registered service animals are welcome.

- Department Coordinators, under the direction of the management, will oversee their department and exhibitors must follow their order relating to placing of exhibits, showing, etc. The Department Coordinator will direct the calling of classes for showing in accordance with the printed schedule. The Department Coordinator has the right to request certificates of registration and transfer and examine the same before the livestock competition.
- The Department Coordinator shall see that awards are correctly entered on the judging materials, checking all numbers, having each judge and clerk sign off on the results, and attaching their signature of approval and returning results to the Fair Coordinator.
- Clerks are requested to make a note of all cases where registration or entry blanks are not satisfactory to the Department Coordinator and to so indicate on the transfer sheets prior to judging. Clerks shall not permit any person to examine their records while judging is in progress, except the Coordinator in charge or the Fair Management. The clerks or judges will announce the placing of the awards after each livestock class has been judged and the judge, when required, will give his or her reasons for placing in each class. No person will be allowed to see the judging materials after the awards have been made and entered therein.
- Any person interfering with the judges during their adjudication will forfeit the right to auction proceeds and placements.
